

Frequently Asked Questions

How do I apply? Submit an application through your case manager or write us and request an application be mailed to you.

How do I reserve a bed once I receive my acceptance letter? Request a family member mail a money order for first month guest fee or have them make the payment on-line by visiting our website. Checks can be mailed from inmate accounts. A bed will also be reserved for those approved through Transitional Funding.

What should I do once released? Call our main office 208-898-4668 for your home address and to set up a time to meet your manager.

Is Rising Sun a faith based program? No, but we encourage you to work a spiritual program where you feel comfortable.

Are there time restrictions to remain in housing? No. Residents may stay as long as housing is needed.

What items can I bring with me? Clothing, toiletries, twin size bedding, towels, food, bike/vehicle, phone, tablet/laptop.

Can I smoke cigarettes or vape? Yes, but only in outside designated areas.

Are overnight and weekend passes available? Yes, as long as you receive permission from probation and parole.

Will I have to share a bedroom? Yes. There are two single beds in each bedroom.

Are visitors allowed in housing? No. This is to help secure the personal property of all residents.

Will there be additional fees charged? No. Cleaning supplies, laundry soap, utilities, and drug testing are provided.

Are homes equipped with tv, wifi and phone? Yes

Our Mission

To provide a supportive, safe, and substance free environment for both men and women to rebuild their lives. A well managed housing program through compassionate and respectful professionals is paramount to the success of our residents.

Our Goal

To help each person transition into self-supporting productive members of society with self-respect, free of shame from their past.

Our Purpose

To offer affordable housing with accountability and structure to assist individuals in maintaining sobriety and motivate them to reach their goals.

Our Vision

To break the cycle of addiction, reduce the rate of recidivism, and create safer communities.

All homes are located in convenient neighborhoods within walking distance to many employment opportunities, community resources and outdoor activities.

Residents establish healthy friendships and support one another by networking to gain employment, ride sharing, and attending groups.

The first month guest fee is \$560, which includes a one-time \$50 processing fee.

Private apartments are available for those completing six months of housing program.
